MLS #29064068

8825 113th Place NE, Kirkland 98033

Modern and stylish without outstanding westerly views, this 2-story w/ daylight basement home is perfect for families and big, style entertaining. Main floor includes a grand entry; open dining & living room that adjoins a glass paneled deck; and a kitchen with slab granite, pantry, and stainless appliances including a Viking range, Miele dishwasher, and Grohe fixtures. The upper floor includes a massive view master suite with a classy bath, Italian tiling, California walk-in closets, and vanity; as well as a 2nd bedroom with half-bath. The lower level hosts a 2nd master suite, recreation room w/ serving bar opening to a fabulous fiber optic lit spa with waterfall and a professionally designed and maintained yard; a wine cellar; and mud room. This house also boasts 2 hot water heaters, 2 furnaces, air conditioning, and a complete home security system w/video monitoring. With exceptional hardwood detailing and hi-fi systems throughout, this house can be furnished for high style entertaining or simple living!
